Dear Steve,

I will be more than happy to serve on your Citizen's Committee of Inquiry as a member of the advisory counsel or any other way in which you think I can help.

I have read the petition you enclosed with your letter of the 22nd and I am in accord with it also.

It was good to meet you and the several other members of your committee when I was in Los Angeles. I wish we could have spent more time together.

What I can do about getting similar groups activated in the east I do not know, but I will, when and as I can, and will let you know or ask those to whom I speak to write you.

Thank you for asking me to join you.

Sincerely yours,

Harold Weisberg
